In the event that the County terminates the Contract, the County reserves the right to award the terminated Contract to the next most highly qualified Respondent.

The County may sue for breach of contract and specific performance and, in addition to contract damages, recover attorney's fees and costs. Respondent shall be liable for any

and all damages permitted by law, and any deviation submitted by Respondent in its Proposal seeking to limit its liability to the County shall be deemed rejected.

The County will not be liable to Respondent for any damages, including but not limited to, loss of profits, loss of business, or any special, consequential, exemplary, or incidental damages resulting from termination based on Respondent's default or breach of contract.

Any personal or business relationship between the Respondent, its principal(s), affiliate, employee, or subcontractor with an employee or official of the County or its suppliers must be disclosed. A copy of this policy is available upon request. The successful Respondent expressly grants Waller County the right to review drug-testing records of any personnel involved in this proposed project. The County may require, at Respondent's expense, drug testing for Respondent's personnel if no drug testing records exist or if such test results are older than six (6) months.

This consent is intended to comply with the requirements of the Texas Public Information Act, Texas Government Code §522.137, as amended, and shall survive termination of this agreement. This consent shall apply to e-mail addresses provided by Respondent, its employees, officers, and agents acting on Respondent's behalf and shall apply to any email addresses provided in any form for any reason whether related to this RFQ, Contract, or otherwise.
  
- y. Force Majeure: To the extent either party of this agreement shall be wholly or partially prevented from the performance of the term specified, or of any obligation or duty placed on such party by reason of or through work strikes, stoppage of labor, riot, fire, flood, acts of war, insurrection, court judgment, act of God, or other specific cause reasonably beyond the parties' control and not attributable to its malfeasance, neglect, or nonfeasance. In such event, the time for performance of such obligation or duty shall be suspended until such disability to perform is removed. The burden of proof for the need of such relief shall rest upon the party obligated to perform. To obtain release based on force majeure, the party obligated to perform shall file a written request with the other party.

Liabilities may include, but are not limited to, property taxes, hotel occupancy taxes, and license or permit fees. Proposals will be considered non-responsive and not given further consideration if submitted by a Respondent with such outstanding liabilities.
  
- bb. Offset: Any indebtedness or obligation owed by a Respondent or its affiliates to the County may be appropriated and applied by the County at any time, and from time to time, on any indebtedness or other obligation owed by the County to Respondent or its affiliates, whether such indebtedness or other obligations are now existing or hereafter arise, and whether under the Contract or otherwise. It is further understood and agreed that this right of setoff is in addition to, and not in lieu of, any other right, remedy, or recourse which is available to the County either at law or in equity, and

that failure to exercise such right of setoff in any instance shall not constitute a waiver of such right.

- cc. Gratuities/Bribes: Respondent certifies that no bribes in the form of entertainment, gifts, or otherwise, were offered or given by the successful Contractor, or its agent or representative, to any County officer, employee or elected representative, with respect to this RFQ or any contract with the County, and that if any such bribe is found to have been made this shall be grounds for voiding the contract.
- dd. Financial Participation: Respondent certifies that it has not received compensation from the County to participate in preparing the specifications or RFQ on which the Proposal is based and acknowledges that this contract may be terminated and/or payment withheld if this certification is inaccurate.
- ee. Right to Assurance: Whenever the County, in good faith, has reason to question Respondent's intent to perform, the County may demand that the Firm give written assurance of its intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the County may treat the failure as an anticipatory repudiation of the Contract.
- ff. Severability: If any section, subsection, paragraph, sentence, clause, phrase, or word of these requirements or the specifications shall be held invalid, such holding shall not affect the remaining portions of these requirements and the specifications, and it is hereby declared that such remaining portions would have been included in these requirements and the specifications as though the invalid portion has been omitted.

- hh. Waiver: No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. The County's failure to require strict performance of any provision of the Contract does not waive or diminish the County's right thereafter to demand strict compliance with that or any other provision.
- ii. Exceptions: The Respondent shall state any exceptions desired to these Terms and Conditions and may suggest alternate wording that addresses the intent of the term or condition. The County may accept or reject any suggestions in accordance with law.

The form and limits of such insurance, together with the insurer, shall be acceptable to the County, with the County listed as an "Additional Insured." It shall be the responsibility of the Respondent to maintain adequate insurance coverage at all times. Failure of the Respondent to maintain adequate coverage shall not relieve the Respondent of any contractual responsibility or obligation; however, such failure shall be grounds for the County to terminate the Contract in its discretion.
- d. Waiver of Subrogation: Respondent and its insurance carrier waive any and all rights whatsoever with regard to subrogation against Waller County as an indirect party to any suit arising out of personal or property damages resulting from Firm or its employees' performance under this Contract.

### **3. Indemnification and Hold Harmless Agreement**

- a. Respondent agrees to defend, indemnify, and hold harmless the County, its officials, officers, agents, employees, and representatives from and against all third-party claims, actions, suits, liability, liens, loss, and damage of any character, type, or description, including without limitation all expenses of litigation, court costs and attorney's fees, arising out of or related to (1) injury or death to any person or damage to any property related to the acts of Respondent or its agents, subcontractors, employees, or representatives in the execution of or performance under the Contract; and (2) Respondent's negligence, misconduct, breach of contract, or other failure to comply with its obligations in the execution or performance under the Contract. The Respondent's duty to defend, indemnify, and hold the County harmless shall be absolute. It shall not abate or end on the expiration or termination of the Contract unless otherwise agreed to by the County in writing. The provisions of this section shall survive the termination of the Contract and shall remain in full force and effect with respect to all such matters concerning the performance of the Respondent arising under or related to the Contract, no matter when they arise.

The Respondent shall indemnify the County in the event the County is found to have been negligent for having selected the Respondent to perform the work described in this RFQ. The Respondent's provision of insurance shall not limit the liability of the Respondent under the Contract.

Successful Respondent shall defend, indemnify, and save harmless Waller County and all its officers, agents, and employees from all suits, actions, or other claims of any character, name, and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the successful Respondent, or of any agent, employee, subcontractor, or
