Instructions

Submit the completed application and payment in the form of a personal check, money order, or cashier's check, and any required attachments to your local county tax assessor-collector's office. **Do not mail cash.**

There is no specialty plate fee; however, the annual registration fee must be paid. License plates may be personalized for an additional \$40 fee per year; make your choice on page 2. **Fee is not refundable.** When the specialty plates are issued, additional fees may be collected to establish a single expiration date for both the specialty plate and the vehicle registration.

If the vehicle is not titled in your name, attach a statement stating you have legal right of possession and control of this vehicle. If you recently submitted an application for title, attach a copy of the title application receipt (VTR-500-RTS). If the vehicle is leased, attach a copy of the lease agreement.

If you order by mail, contact your county tax assessor-collector's office in three weeks to verify your plate is ready or if you have any questions.

Plate Eligibility

Passenger cars, trucks, motorcycles, and travel trailers that are at least 25 years old qualify for Classic License Plates.

Instead of Classic License Plates, the owner of a classic vehicle may use embossed license plates issued by this state that is the same year as the model year of the vehicle. The plates must have the original color scheme and be in good, readable condition. If the original plates are approved by your local county tax assessor-collector's office, a plate tab with a registration sticker will be issued to be displayed on the rear license plate.

Replicas of Texas license plates are not acceptable. Plates with an alpha-numeric pattern that are already in use, or qualifying license plates such as a Farm plate or Dealer plate, etc., will not be approved.
