CERTIFICATION OF PROVISIONS APPLICABLE TO EXPENDITURES OF FEDERAL FUNDS

Waller County will specify in the RFP when it expects to fund a project partially or wholly with Federal grant money. If the project will be funded in whole or in part with Federal grant money, conditions/requirements apply in addition to the Terms and Conditions contained in the RFP. If there is a conflict between the Term and Conditions in the RFP and any of the conditions/requirements applicable to the expenditure of Federal funds, the Federal Funds conditions/requirements shall control.

1. Remedies for Vendor Breach/Contract Violations: Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Waller County addresses in its RFP Terms and Conditions the remedies available to it for a Vendor's breach, including section 2.67. The remedies included therein are in addition to any remedies that may be available either in law or equity. Vendor agrees to all of the violation and breach of contract terms provided in the RFP.

2. Termination for Cause/Convenience: Contracts in excess of \$10,000 that are paid with Federal grant money, whether in whole or in part, may be terminated for cause and/or convenience by Waller County on ten (10) days' notice to the Vendor. If the Contract is terminated in accordance with this section, the County shall only be required to pay Vendor for goods and/or services rendered to the County prior to termination. If the Contract is terminated under this section, the County shall be allowed to return to Vendor any goods in accordance with Vendor's return policy. If the County has paid Vendor for goods and/or services that have not been delivered prior to termination under this section, Vendor shall immediately refund such payment(s). If the County agrees with Vendor in writing to an alternate provision for termination for cause and/or convenience, that agreement shall control.

3. Equal Employment Opportunity: Except as otherwise provided under 41 CFR Part 60, all Waller County contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 are deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any County purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

4. Davis-Bacon Act: Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, Vendor agrees that for all Waller County prime construction contracts in excess of \$2,000 Vendor shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, Vendors shall pay wages not less than once a week. Waller County has included a copy of the current prevailing wage determination issued by the Department of Labor with this RFP. Vendor agrees that for any purchase or Contract to which this provision applies, the award of the purchase or contract is conditioned on

Vendor's acceptance of the wage determination. Waller County shall report all suspected or reported violations to the Federal awarding agency. Vendor also agrees to comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. Under 40 U.S.C. 3702 of the Act, the Vendor shall compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Rights to Inventions Made Under a Contract or Agreement: If Waller County's Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. Vendor agrees to comply with these requirements if applicable.

7. Clean Air Act and the Federal Water Pollution Control Act: Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended - Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). When required, Vendor agrees to comply with all applicable standards, orders, and/or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

As applicable, Proposer agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

10. Solid Waste Disposal Act: When Waller County uses Federal grant money to fund a Contract, the awarded Vendor must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Vendor agrees that it will comply with Public Law 115-232, section 889.

12. Profit as Separate Element of Price: For purchases using Federal grant money in excess of the Simplified Acquisition Threshold (SAT), the County must negotiate profit as a separate element of the price for each contract

in which there is no price competition and in all cases where cost analysis is performed. Where applicable, the Vendor agrees to negotiate profit with Waller County as a separate part of its Contract in accordance with 2 CFR 200.324(b).

Vendor certifies and agrees that if Federal money is used to fund the project referenced in the RFP, Vendor shall comply with the Federal Funds conditions/requirements in addition to the Terms and Conditions contained in the RFP.
