

REQUEST FOR QUALIFICATIONS (RFQ) ADDENDUM

Professional Home Demolition Services CDBG-DR Project 20-066-011-C074 (Buyout Program)

THE COUNTY WILL ACCEPT QUESTIONS CONCERNING THIS RFQ UNTIL FRIDAY, JANUARY 6, 2023 AT 5:00 P.M. ALL QUESTIONS SHOULD BE DIRECTED TO TYLER SMITH VIA E-MAIL AT TYLER@GRANTWORKS.NET.

Q1: *Have asbestos surveys been conducted for the properties that will be demolished under the County's Buyout program?*

- **A1:** Because the County is only pre-qualifying contractors for the program, pricing information is not required to be provided by a Respondent at this time. If selected as a qualified contractor, a firm would be required to include asbestos testing as part of its bid. The County will ask for two prices: one price without asbestos removal and a second price if the asbestos tests come back positive.
