Re: Public Access to the Brazos G 2026 Initially Prepared Regional Water Plan

Dear County Judge:

The Brazos G Regional Water Planning Group is preparing for a public hearing on **May 6, 2025** to receive comments on the Brazos G 2026 Initially Prepared Regional Water Plan (IPP). The IPP must be accessible to the public 30 days before and 60 days after the public hearing, in accordance with Texas Administrative Code.

The purpose of the public hearing is to receive oral and written comments on the IPP. The written comment period is from **April 4, 2025 to 5:00 p.m. on July 7, 2025**. The planning group is required to have the IPP available for public access at the county clerk's office or county judge's office in each of our 37 counties. We have coordinated with each of the county clerk's offices to arrange for providing the public access to the IPP document. Please direct any interested party to where they can publicly view the IPP in the clerk's office. The IPP is available for download and viewing at the following web link www.brazosgwater.org.

The IPP is also available at one designated library in each of the 37 counties. A list of the designated library locations will be posted on the Brazos G website www.brazosgwater.org no later than April 4, 2025.

You may remove the document from public access on July 8, 2025, as the public comment period will have concluded.

If you have any questions at all, please do not hesitate to email me at pamela.hannemann@brazos.org or call me at (254) 761-3135. Thank you very much for your assistance.

Sincerely,

Pamela Hannemann
