(c) The principal amount of the debt obligations to be authorized is \$39,500,000.

(e) The County intends to issue the bonds authorized by the Proposition over a period of years in a manner and in accordance with a schedule to be determined by the Commissioners Court based upon a number of factors, including, but not limited to, the then current needs of the County, demographic changes, prevailing market conditions, assessed valuations in the County and management of the County's short-term and long-term interest rate exposure. As such, the information contained in this paragraph is provided solely for illustrative purposes and does not establish any limitations or restrictions or create a contract with the voters. SECTION 11. Severability. If any provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Court hereby declares that this Order would have been enacted without such invalid provision.

SECTION 12. Notice of Meeting. The Court officially finds, determines, recites and declares that written notice of the date, hour, place and subject of the meeting at which this Order is adopted was posted on a bulletin board located at a place convenient to the public at the County's Courthouse for at least 72 hours preceding the scheduled time of the meeting; that a telephonic or telegraphic notice of such meeting was given to all news media who have consented to pay any and all expenses incurred by the County in connection with providing such notice, both as required by the Open Meetings Law, Chapter 551, Texas Government Code, as amended; and that such meeting was open to the public as required by law at all times during which this Order and the subject matter thereof was discussed, considered and formally acted upon.
