## NOTICE OF DISTRICT PETITION TCEQ INTERNAL CONTROL NO. D-03072024-013

**PETITION.** HOUSTON TRUST COMPANY, AS TRUSTEE OF THE HOWARD F. SMITH, JR. TRUST F/B/O LOUISE SMITH NEUHAUS, LAURENCE B. NEUHAUS, EDWARD K. NEUHAUS, and BINFORD @ CASTLE LLC, a New Mexico limited liability company, and JAMP STOKESBURY LP, a Texas limited partnership (collectively, the Petitioners), and PULTE HOMES OF TEXAS, L.P., a Texas limited partnership (as Earnest Money Contract Holder), filed a petition for the creation of Harris-Waller Counties Municipal Utility District No. 10 (District) with the Texas Commission on Environmental Quality (TCEQ). The petition was filed pursuant to Article XVI, § 59 of the Constitution of the State of Texas; Chapters 49 and 54 of the Texas Water Code; 30 Texas Administrative Code Chapter 293; and the procedural rules of the TCEQ.

The petition states that: (1) the Petitioners hold title to a majority of land to be included in the proposed District; (2) there are no lienholders on the property to be included in the proposed District; (3) the proposed District will contain approximately 256.09 acres located within Harris-Waller counties, Texas; and (4) the land within the proposed District was (as of the date of the petition) located within the extraterritorial jurisdiction of the City of Houston (City), but due to the filing of a Petition for Release of an Area from a Municipality's Extraterritorial Jurisdiction pursuant to Subchapter D, Chapter 42, Texas Local Government Code, with the City, no consent from the City was required.

The territory to be included in the proposed District is depicted in the vicinity map designated as Exhibit "A," which is attached to this document.

The petition further states that the proposed District will: (1) purchase, design, construct, acquire, improve, extend inside or outside of its boundaries any and all works, improvements, facilities, plants, equipment, and appliances necessary or helpful to supply and distribute water for municipal, domestic, and commercial purposes; (2) collect, transport, process, dispose of and control domestic and commercial wastes; (3) gather, conduct, divert, abate, amend and control local storm water or other local harmful excesses of water in the proposed District; (4) design, acquire, construct, finance, improve, operate, and maintain macadamized, graveled, or paved roads and turnpikes, or improvements in aid of those roads; and (5) purchase, construct, acquire, improve, or extend inside or outside of its boundaries such additional facilities, systems, plants, and enterprises, and park and recreational facilities, as shall be consonant with the purposes for which the proposed District is created.

According to the petition, a preliminary investigation has been made to determine the cost of the project, and it is estimated by the Petitioners that the cost of said project will be approximately \$45,420,000 (\$23,620,000 for water, wastewater, and drainage, plus \$16,185,000 for roads, plus \$5,615,000 for park and recreational facilities).

**CONTESTED CASE HEARING.** The TCEQ may grant a contested case hearing on this petition if a written hearing request is filed within 30 days after the newspaper publication of this notice.

To request a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the name of the Petitioners and the TCEQ Internal Control Number; (3) the statement "I/we request a contested case hearing"; (4) a brief description of how you would be affected by the petition in a way not common to the general public; and (5) the location of your property relative to the proposed District's boundaries. You may also submit your proposed adjustments to the petition which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing to the Office of the Chief Clerk at the address provided in the information section below.

The Executive Director may approve the petition unless a written request for a contested case hearing is filed within 30 days after the newspaper publication of this notice. If a hearing request is filed, the Executive Director will not approve the petition and will forward the petition and hearing request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. If a contested case hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

**INFORMATION.** Written hearing requests should be submitted to the Office of the Chief Clerk, MC-105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087. For information concerning the hearing process, please contact the Public Interest Counsel, MC-103, at the same address. General information regarding TCEQ can be found at our web site <http://www.tceq.texas.gov/>.
