Re: Harris-Waller Counties Municipal Utility District No. 10; Application for Approval of \$5,625,000 Revenue Bonds, First Issue, 5% Net Effective Interest Rate, Series 2026. Pursuant to Texas Water Code Section 49.181. TCEQ Internal Control No. D-05052026-009  
CN: 606240083 RN: 111935698

Dear Judge Duhon:

Information filed with the subject application appears to indicate that the District is located within Waller County (County) and partly outside the extraterritorial jurisdiction a city. Therefore, the provisions of Texas Water Code Section 54.5161 is applicable to this application and notification is hereby given that the referenced bond issue application has been filed with the Texas Commission on Environmental Quality (TCEQ). Further, the County has an opportunity, within 30 days after the above dated notification, to examine all information on file and submit a written opinion from the Commissioners Court stating any findings, conclusions, or other information that the Commissioners Court considers important to the TCEQ's final determination.

The TCEQ will not render a final decision on the above referenced application until after the receipt of commissioners court comments or upon the expiration of the 30-day submission period, whichever is earlier.

To assist in obtaining information on this project necessary for the consideration of the commissioners court, the attorney and engineer for the District are as follows:

Attorney: Mr. Aaron Carpenter  
Allen Boone Humphries Robinson LLP  
3200 Southwest Freeway, Suite 2600  
Houston, Texas 77027

Engineer: Mr. Mark Swanson, P.E.  
LJA Engineering, Inc.  
3600 West Sam Houston Parkway South, Suite 600  
Houston, Texas 77042

If the commissioners court does not wish to comment on this particular project, please make this known immediately to avoid an unnecessary delay in the consideration of the bond application.
